

CREATIVE WRITING

Certificate

Best-selling novels, blockbuster movies and award-winning poems all start with an idea...but the crucial next step of creating words to convey and express those ideas can be daunting.

Our customizable fully online Creative Writing Certificate program provides individualized guidance from experienced instructors who have published works in multiple genres.

Certificate highlights

Explore methodologies across all writing categories as you refine both your personal style and voice utilizing the most effective tools and techniques. Schedule flexibility combined with a variety of elective options allows you to tailor the curriculum based on personal interests and skill sets. Build your platform and grow your brand as you work to successfully achieve your writing goals.

Certificate requirements

Complete all 4 core courses

Complete at least 3 electives courses

Attend at least 80% of class sessions in each course

Satisfy all program requirements within 18 months

A certificate program for aspiring writers!

Through engaging coursework and live online instructor-led sessions, students gain the knowledge to:

Demonstrate a well-rounded understanding of professional writing techniques spanning all aspects of the writing process

Utilize the practical knowledge of how to grow their platform, evaluate the commercial potential of their work, and move toward publishing

Create a tangible testament to their academic achievement in the field

We recommend that you take the **Essentials of Creative Writing** course as the first core course for the certificate and the **Advanced Revision Workshop** should be the last core course you take. The rest of the program has a flexible structure, and you are welcome to take the other 2 core courses and 3 electives in whatever order works best for you.
